

## Multiple Choice Mayhem

1. What parts of a multiple choice “stem” (the question itself) are helpful to mark and why?
2. What advice does this [episode](#) give about how to mark answer choices to help you find the best one?
3. What is the difference between a definition and a relationship question? Create an example of each.
4. What common “test-wise” strategies have been proven to be effective, which are outright myths, and which, if you’re desperate, might sometimes be true?
